

KEYSTONE

Clay Shoot at Holland & Holland

KEYSTONE CAPITAL
15TH MARCH 2024

It proved to be a fantastic day out for guests of Keystone Capital at our first corporate Clay Shoot held at the impressive grounds of Holland & Holland in Northwood. Guests enjoyed shooting at a variety of sporting stands under the expert tutelage of professional instructors from Holland & Holland, with the day culminating in a high adrenalin team flush. Despite being an informal and relaxed outing there definitely was a hint of competition in the air.

Afterwards we had an opportunity to network over a rather delicious lunch whipped up by the talented Joshua Hunter and his team. The overall level of service from Holland & Holland and the attention to detail were exceptional. A huge thanks to the team there for putting on such a fabulous day and also to all our guests who came along for being such good sports. We are hopeful this may even turn into an annual fixture!
